

HESPER MEWS

LONDON, SW5

A highly attractive and desirable freehold three bedroom period house within a quintessential cobbled Mews, and configured over only three floors.

With a notable and impressive first floor reception room that spans the full width of the property, this is a highly desirable and typical Mews house, ideal as a regular home, pied a terre or investment.

The ground floor accommodation comprises a well-proportioned garage, bedroom 3/study, laundry room and a bathroom; the first floor provides the lateral reception room, which in turn opens to a well-appointed kitchen. The top floor provides two bedrooms both with en suite bathrooms.

Hesper Mews dates to 1884/5 and is believed to be one of the last Mews to be created in the area. Laying to the east of Earls Court Road and accessed from either of Braham and Collingham Gardens, this is a superb location from which to enjoy the amenity and lifestyle of Central London living. With an array of cafes, restaurants, boutiques, and galleries nearby, South Kensington, Knightsbridge and Chelsea are all also easily accessible.

Residents of Hesper Mews may also benefit from access to enjoy the Communal Gardens of Bramham Gardens.
